From what distance am I entitled to a free ticket?

For students in grades 5-10, the one-way commute to school must be more than 3.5 km, and for students in upper grades, more than 5 km. The commute to school is defined as the shortest walking distance between the student's home and the nearest entrance to the Remigianum school grounds. The calculation is carried out by the City of Borken (school authority). The approval period is generally the school year.

I'm attending 5th grade at the Remigianum after the summer holidays . How do I find out if I get a free ticket?

The future pupils of grade 5 will be informed at the introductory afternoon before the summer holidays.

What is “Trampelgeld” (“trampling money”) and how can I apply for it?

Eligible students have the option of forgoing a free ticket and instead claiming the “trampling money”. The "trampling money" can be applied for with the City of Borken upon returning the ticket. The decision is binding for the entire school year. A lump sum of 50% of the ticket cost will be paid out at the end of the school year.

My bus stop is changing because I'm moving. What do I need to do?

A move (with or without a change of bus stop) must be reported to the Remigianum school office and the transportation company (City of Borken, RVM, or WB). A new ticket will then be issued.

I'm eligible for a ticket, but I haven't received my ticket yet. What should I do?

Bus tickets must be purchased until the ticket is available.

I'm leaving the Remigianum because I'm changing schools. What do I need to do?

If you change schools, your ticket must be returned immediately to the Remigianum school office. If the ticket is not returned or is returned late, the City of Borken will bill the student (or their legal guardian) for the resulting costs.

How do I get my ticket if I am eligible?

Germany tickets are usually sent by mail to your home address at the beginning of the school year. Tickets for special student transport are issued by the Remigianum school office .

Why do some students receive a Deutschlandticket and other students receive a different ticket?

The right to student transportation is administered by the City of Borken (the school's authority). The most economical mode of transportation is used. As a result, most students receive a Deutschlandticket (Germany Ticket). The remaining students receive a ticket for special student transportation.

Please note: The Deutschlandticket is only valid for local public transport and the ticket for special school transport is only valid for the specially designated lines.

I lost my ticket. What should I do?

In the case of the Deutschlandticket, notification must be made immediately to the relevant transport company (RVM or WB). A replacement ticket will be issued for a fee of €10. Until the new ticket is sent, you must pay for the entire journey. For tickets for special school transport, the City of Borken School Transport Department must be notified.

I would like to report a problem (occupancy, route, driver behavior, etc.) regarding my bus service. Where can I do this, and how do I get feedback?

The school authority is responsible for this. Reports of problems can be submitted by phone or email to the Borken School Transportation Department. The Borken School Transportation Department will also respond.

Contact details: see below

I'm eligible for a ticket, but I was checked and didn't have a ticket with me. What should I do?

You should contact the responsible transport company immediately. Typically, an increased fare of €60 plus a processing fee will be charged unless proof of a valid ticket can be provided within a certain period of time.

Contact details: see below

I left something on the bus. What should I do?

Reports of loss must be sent directly to the responsible transport company.

I'm a guest student at a school abroad for several months. What happens to my ticket?

Students are not entitled to a ticket for the entire duration of their stay abroad. Should a ticket already issued be misused, the City of Borken will bill the students (or their legal guardians) for the resulting costs.

We've hosted a foreign student who is also a driving student for more than a month. What do we need to do?

For these exchange students, the school authority voluntarily reimburses travel expenses as a subsequent reimbursement. Please contact the teacher responsible for the respective exchange program in advance to clarify the details.

We have a guest student staying for less than one month as part of a student exchange. How can I request reimbursement for travel expenses?

For these exchange students, the school authority voluntarily reimburses travel expenses for the trip to school as a subsequent reimbursement. Reimbursement is made through a collective application from the teacher responsible for the respective exchange program. Please collect the purchased tickets and submit them to the appropriate teacher.
